**The Yandina Historic House has been operating since Novembr 2003. Local artists and potters display their work in the gallery rooms, the history room abounds with stories, photographs and geneology records of the local area. The craft and gift shop is crammed with locally made and sourced goods. The Tourist and Information office which is proudly supported by the Yandina Chamber of Commerce offers maps, brochures and local business information. The museum, open on Wednesdays has a wide range of displays. The ability of the Yandina Historical Society to continue to offer all of this and its delicious morning teas and lunches is dependent on local volunteers who work in the different areas of the house. Volunteers are always needed, if you have some time available and would like to be involved please phone or call in and have a chat.**

**The House is being painted inside during April and will be closed between 9<sup>th</sup> -26<sup>th</sup> April.**
